SocialMiami.com who to know. where to go.

(how to reach.)
Since 2000 SocialMiami.com has promoted and supported events hosted by South Florida charities and cultural organizations and businesses that partner and sponsor philanthropic efforts. As the go-to site for all things social, SocialMiami is the premier promotional vehicle for publicizing events and recognizing those who make them successful.

Twice weekly SocialMiami’s newsletters reach more than 95,000 highly targeted individuals through a combination of opt-in email subscribers and social media followers. SocialMiami’s contributors are some of Miami’s biggest influencers, and their viral reach is unrivaled. Coupled with the content we push to subscribers, our site receives 30,000 visitors per month. SocialMiami’s visitors are from more than 150 countries, and over 70 percent of those are first-time visitors who reach us from search engines and direct traffic looking for “who to know” and “where to go” in South Florida.

More than 800 charities, cultural organizations and businesses find the site to be an effective way to reach South Florida’s most affluent and philanthropic supporters.
